## EDUCATION

|                                                                                                                     |             |
|---------------------------------------------------------------------------------------------------------------------|-------------|
| <b>Vsb Engineering College</b><br><i>Electronics and Communication Engineering   CGPA:8.41[upto 5th sem]</i>        | 2023 - 2027 |
| <b>Karur Vetri Vinayaka Matric Higher Secondary School</b><br><i>Higher Secondary Certificate   Percentage :78%</i> | 2021 - 2023 |
| <b>Chettinad Rani Meyyammai Matri High School</b><br><i>Secondary School Leaving Certificate   All Pass</i>         | 2020 - 2021 |

## SUMMARY

**Aspiring Software Development Engineer** with knowledge of programming, software development, and database management. Passionate about building scalable applications, solving complex problems, and optimizing system performance.

## INTERNSHIP

**Tata Forage**  
*Completed a virtual job simulation focused on data analytics using Generative AI tools to derive insights analyze datasets, and support data-driven decision making*

## PROJECTS

- Alumni Connect Platform | HTML, CSS, JavaScript, Node.js, Express** 2026 | [GitHub](#)  
Developed a web platform to facilitate networking between alumni and students. Built a responsive frontend with profile management and alumni directory features. Implemented a Node.js and Express backend for user registration and authentication. Enabled professional connections through networking and interaction functionalities.
- IoT-Based Sleep Apnea Detection & Prevention System | Arduino Nano, ESP32, Cloud IoT** 2025 | [GitHub](#)  
Developed an IoT-based system to monitor respiration rate, heart rate, SpO<sub>2</sub>, temperature, and snoring in real time. Implemented automated CPAP response for abnormal breathing detection. Enabled cloud-based remote monitoring through a web dashboard. Integrated real-time alerts and data visualization for effective patient monitoring.

## TECHNICAL SKILLS

- **Languages :** java, HTML,CSS, Python(Basics)
- **Frameworks:** Express.js, Node.js
- **Database:** SQL(Basics)
- **Tools & Platforms :** VS Code , Eclipse

## CERTIFICATIONS

- |                                                                |      |
|----------------------------------------------------------------|------|
| • Java Programming (88%)   <b>NPTEL</b>                        | 2025 |
| • Database and SQL (Basics)   <b>Infosys (Springboard)</b>     | 2024 |
| • Introduction to IoT (78%)   <b>NPTEL</b>                     | 2025 |
| • Java Foundation Certification   <b>Infosys (Springboard)</b> | 2025 |
| • Certified Typist – English Grade 1 <b>Distinction</b>        | 2025 |

## ACHIEVEMENTS

- **Participated in Smart India Hackathon (SIH)| 2025**
- **Leet code** | solved 150+ problems
- **Language proficiency** in Spoken and Written **Hindi** | 8 certified levels
